ABOUT US

ASSDC Infrastructure Pvt. Ltd. was incorporated on 14th June 2019 as a Private Limited Company. It continues to thrive under the able leadership of Adv. Vishal Chavan, Mr. Milind Devargaonkar & Directors Mrs. Sneha Chavan & Mrs. Sarika Devargaonkar, supported by a dedicated and experienced technical team.

With over 20 years of collective experience, our leadership has successfully executed a wide range of projects. ASSDC Infrastructure Pvt. Ltd. is a government-recognized, innovative and sustainability-driven company engaged in green building, green highways, green energy, afforestation, horticulture, labor supply & sustainable infrastructure development.

Since 2018, we have executed diverse projects in the civil, infrastructure and building sectors. We are committed to quality, timely delivery and cost-effective execution, led by a team known for technical expertise and professional integrity. Our focus is on providing superior quality work while saving our clients both time and money.

Mr. Milind Devargaonkar

"Passionate about transforming the infrastructure industry with innovation and integrity, I aim to create spaces that inspire and add lasting value. My commitment lies not just in constructing buildings, but in crafting legacies that redefine urban living."

Adv. Vishal Chavan

"Motivated by a vision to transform landscapes and elevate the human experience, I am dedicated to delivering high-quality infrastructure. Each project is a testament to trust, innovation and excellence. As a teacher of the Art of Living program, I integrate mindfulness and ethics into all aspects of work."

FOUNDERS

Mrs. Sneha Chavan

"Every great creation begins with a vision. The true hallmark of a director is the ability to turn vision into reality. Through passion, precision and a relentless pursuit of excellence, we create more than projects-we build masterpieces that leave a lasting impression."

Mrs. Sarika Devargaonkar

"The path of creation is guided by passion and perseverance. Each challenge brings a chance to innovate. With dedication and an unwavering commitment to excellence, we believe nothing is impossible."

OUR VISION

At ASSDC Infrastructure Pvt. Ltd., we strive to build long-term relationships rooted in integrity, performance, value and client satisfaction. Our goal is to continually meet evolving client needs through quality service and a highly skilled team.

We aspire to remain a pioneering force in India's infrastructure sector, contributing to nation-building and consistently exceeding expectations.

OUR MISSION

To become a leading construction company in infrastructure services.

To be the most preferred choice of customers through excellence in quality and timely project delivery.

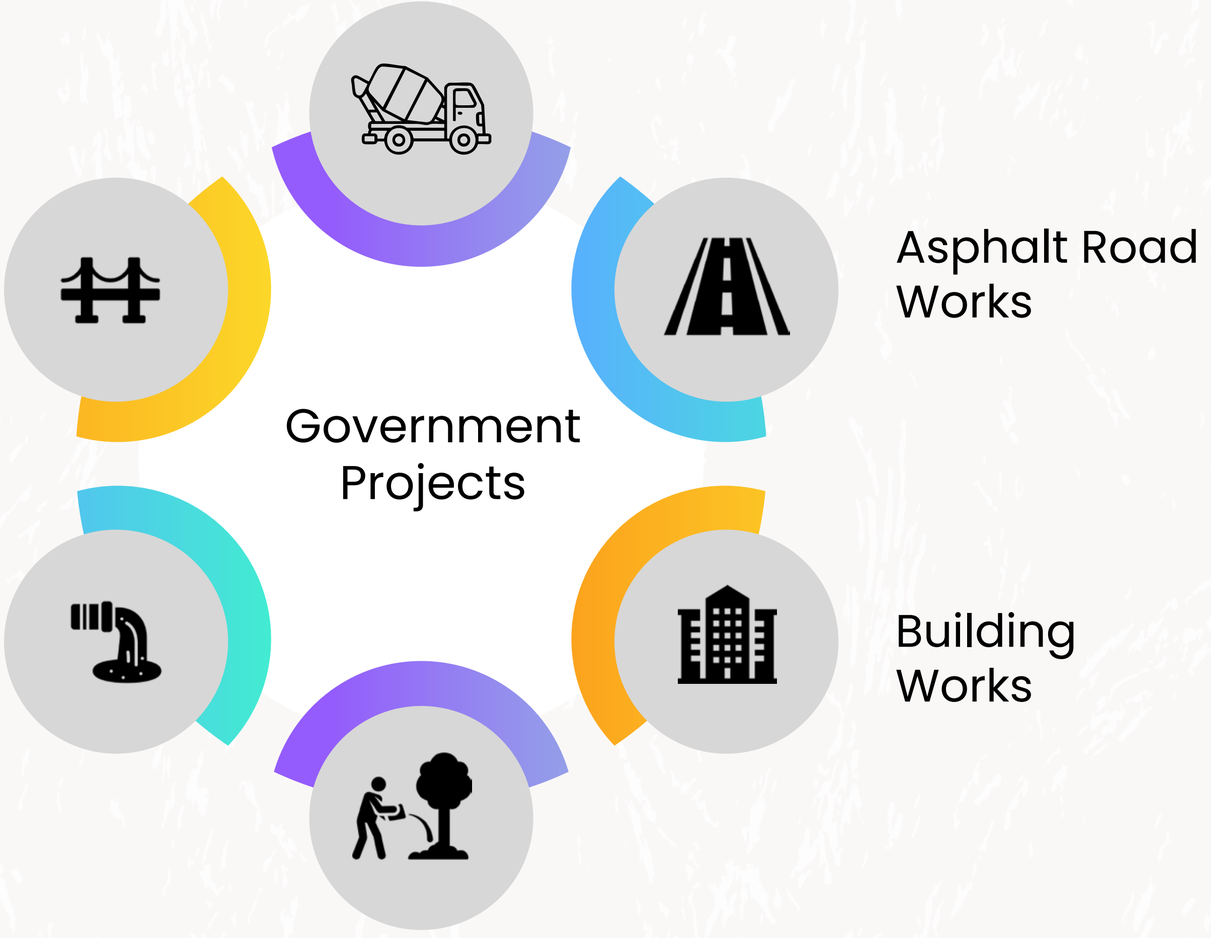

To continuously innovate and adopt advanced technologies that enhance productivity and cost-efficiency.

To minimize environmental impacts through compliance and sustainable practices.

To foster a safety-first culture aimed at achieving zero-accident performance.
